

Garden Clubs and Societies Plant Fair 7-8 September 2024 – Call for Volunteers

The fair is to be held at the South Perth Community Centre, South Street, South Perth.

We are seeking assistance from Society members to help operate the WACS stall. This stall is primarily to promote our Society by selling cuttings to the public and providing advice and encouragement.

We are all busy so if you are not available for a 4 hour shift then just an hour behind the counter while you visit the fair will be helpful (especially on Saturday morning).

See Michael Drake-Brockman for your Exhibitor Door pass. This is required if entering the hall during public sale times. Not required if entering the venue before 8:00am or after 2:00 pm.

Please *advertise* the Fair to your friends
